

## 12<sup>th</sup> Annual IRS-TPC Joint Research Conference on Tax Administration

Urban Institute, Washington, DC • June 16, 2022

### Call for Papers

The Internal Revenue Service and the Urban-Brookings Tax Policy Center plan to co-sponsor their twelfth annual tax administration research conference next year. It will be held on June 16, 2022 at the Urban Institute in Washington, D.C.

We invite you to propose a research paper on a *tax administration* topic for the 2022 conference. General areas of interest include measuring and influencing taxpayer compliance, estimating taxpayer compliance costs (burden), tax complexity, improving tax administration (e.g., through service, enforcement, systems, third parties, changing the tax law or regulations, etc.), and understanding the nature and behavior of the taxpayer population. For more information about IRS research conferences, including previous conference programs and papers, visit the IRS Website <https://www.irs.gov/statistics/soi-tax-stats-irs-research-conference>, and click on the links to previous conferences.

Proposals are welcome from government and non-government researchers from the U.S. and abroad, and are **due by C.O.B. Wednesday, December 1, 2021**.

**Completed papers** will be due by Monday, May 16, 2022. A conference proceedings volume will be published containing all of the papers presented at the conference. Authors will have until August 31, 2022 to revise and submit a final draft of their paper for publication.

**For each proposed paper, please submit (in Microsoft Word format):**

- A title
- An abstract **not to exceed** 750 words or 2 pages
- Names and affiliations of all authors
- An e-mail address and phone number for at least one contact author

**The deadline for proposals is December 1, 2021.**

**Please e-mail your submission to:** [research.conference@irs.gov](mailto:research.conference@irs.gov). Please put “proposed paper” in the subject line.

Thank you for your interest in our conference and in advancing tax administration research.

**Barry Johnson**, Acting IRS Chief Research and Analytics Officer  
**Eric Toder**, Co-Director, Urban-Brookings Tax Policy Center
